

Staff Directory and Contact Routes

Fictional ownership map, escalation rota, and communication directory

Document ID	Version	Effective	Review due
NB-OPS-302	1.0	2026-08-01	2027-08-01

FICTIONAL TRAINING DOCUMENT - SYNTHETIC DATA ONLY. Not a real healthcare provider, not clinical guidance, and not for patient care. All people and contact details are invented.

Owner: Practice Operations Manager
Approved by: Fictional Clinical Governance Committee
Classification: Training / public synthetic corpus

Document control and RAG metadata

Field	Value
Canonical title	Staff Directory and Contact Routes
Document ID	NB-OPS-302
Keywords	staff, directory, contact, owner, cardiologist, pharmacist, nurse, booking, escalation
Authority	Practice Operations Manager
Supersedes	None - initial synthetic edition
Applicability	Training simulations at Northbridge Cardiology Practice only

Retrieval rule

Retrieve when assigning ownership, routing an escalation, booking a review, or giving a contact route. Never expose direct fictional staff extensions as real contacts.

1. Named fictional leadership

Name	Role	Responsibilities	Contact
Dr Maya Ellison	Medical Director / consultant cardiologist	Clinical governance; complex prescribing; final escalation	01632 960 201; maya.ellison@northbridge.example.invalid
Dr Tariq Bell	Consultant cardiologist	Heart failure pathway; imaging review; duty rota	01632 960 202
Dr Linh Carver	Consultant electrophysiologist	Arrhythmia and antiarrhythmic oversight	01632 960 203
Priya Nair, MPharm	Lead cardiology pharmacist	Reconciliation; interactions; monitoring standards; medication queries	01632 960 230
Elena Morris, RN	Lead cardiac nurse	Triage; education; observation pathways	01632 960 240
Owen Price	Practice operations manager	Booking capacity; complaints; continuity and facilities	01632 960 250
Hannah Cole	Patient safety officer	Incidents; safeguarding routing; corrective actions	01632 960 260
Noah Reed	Knowledge governance lead	Policy versions; RAG corpus approval; source withdrawal	01632 960 270
Amara Singh	Diagnostics coordinator	ECG, echo, ambulatory monitoring, phlebotomy coordination	01632 960 220
Leo Grant	Information governance officer	Access, privacy, audit, data incidents	01632 960 280

2. Team ownership map

Work item	Primary owner	Backup / escalation
New medication authorization	Named prescriber	Duty consultant
Medication reconciliation and interaction concern	Cardiology pharmacist	Prescriber / lead pharmacist
Abnormal lab result	Named results clinician	Duty cardiology clinician
ECG/rhythm concern	Electrophysiology team	Duty consultant
Heart-failure symptom concern	Heart-failure nurse + consultant	Same-day triage
Appointment/test booking	Booking/diagnostics coordinator	Operations manager
Policy conflict or stale document	Knowledge governance lead	Clinical governance committee
Privacy/access incident	Information governance officer	Medical director + safety officer
Clinical incident	Patient safety officer	Medical director

3. Shared fictional contact routes

Situation	Route
Immediate severe symptoms	Configured emergency service; fictional practice numbers are not emergency services
Same-day clinical concern	01632 960 199
Medication reconciliation / pharmacist	01632 960 130
Routine cardiology booking	01632 960 110
Diagnostics booking	01632 960 120
Results query	01632 960 140
Safety incident	01632 960 260
Privacy incident	01632 960 280
Policy/RAG source concern	01632 960 270
Patient feedback/complaint	01632 960 250

4. Communication standards

- Verify recipient and minimum necessary information before communication.
- Use role-based shared queues for continuity; do not rely only on an individual's inbox.
- Clinical urgency must be communicated verbally/warm-transferred as well as documented.
- Email and portal messages are not emergency channels.
- Record sender, recipient, time, purpose, action requested, and confirmation/failed delivery.
